

İlhan Tapan, Fatma Belgi Piliçer
Silicon tracker simulation for the Turkish Accelerator Center particle factory
Nuclear Instruments&Methods in Physics Research Section A-Accelerators Spectrometers
Detectors and Associated Equipment Volume: 765 P: 240-243, 2014

Ö. Yavaş
Turkish Accelerator Center Light Source Facilities and Research Potentials
4th National Crystallograpy Meeting with International Particitipants
17-19 May 2014, Diyarbakır, Turkey

B. Akkuş, H. Aksakal, A. Aksoy, E. Algin, O. Çakır, Z. Nergiz, S. Özkorucuklu,
L. Şahin, Ö. Yavaş, H.D. Yıldız
Turkish Accelerator Center: The Status and Road Map
5th International Particle Accelerator Conference (IPAC2014)
June 15-20, 2014, Dresden, Germany

Ö. Yavaş et al.,
Conceptual Design of An X-FEL Facility Using CLIC X-Band Accelerating Structure
5th International Particle Accelerator Conference (IPAC2014)
June 15-20, 2014, Dresden, Germany

A. Aksoy, P. Arıkan, Ö. Karşlı, Ç. Kaya, E. Kazancı, S. Özkorucuklu, Ö. Yavaş
Design Parameters and Current Status of the TARLA Facility
5th International Particle Accelerator Conference (IPAC2014)
June 15-20, 2014, Dresden, Germany

A. Aksoy, A. Aydın, Ç. Kaya, E. Kazancı, B. Tonga, S. Özkorucuklu, Ö. Yavaş
Current Status of TARLA Control System
5th International Particle Accelerator Conference (IPAC2014)
June 15-20, 2014, Dresden, Germany

A. Aksoy, M. Doğan, Ö. Karşlı, Ç. Kaya, B. Koç, C. Polat, S. Özkorucuklu,
Ö. Yavaş
Final Structure and Design Parameters of TARLA RF System
5th International Particle Accelerator Conference (IPAC2014)
June 15-20, 2014, Dresden, Germany

Ö. Yavaş
*Turkish Accelerator Center: The Role and Importance of Turkish-German
Collaboration*
Turkish-German Workshop on Particle Accelerators and Light Sources
July 9-10, 2014, Istanbul University, Faculty of Science, Istanbul, Turkey

Ö. Yavaş
Turkish Accelerator Center: The Status at the End of Thrid Period
31th International Physics Congress (TPS 31)
July 21-24, 2014, Bodrum, Turkey

E. Akdoğan, Z. Nergiz, Ö. Yavaş
Booster Ring Design for TAC Synchrotron Radiation Facility (TURKAY)
31th International Physics Congress (TPS 31)
July 21-24, 2014, Bodrum, Turkey

Y. Elçim, B. Dirican, Ö. Yavaş
Dosimetric Evaluation of Radiotherapy Planning Systems With Two Different Algorithms In Small Fields
31th International Physics Congress (TPS 31)
July 21-24, 2014, Bodrum, Turkey

Ö. Yavaş
Facilities of TAC and Their Reserach Potential
30th European Conference on Surface Science (ECOSS30)
31 August-5 September 2014, Antalya, Turkey
